Item 1.01. Entry into a Material Definitive Agreement.

On February 14, 2022, Roivant Sciences Ltd. (the “Company”) entered into a Common Shares Purchase Agreement (the “Purchase Agreement”) with CF Principal Investments LLC (“Cantor”) relating to a committed equity facility (the “Facility”). Pursuant to the Purchase Agreement, the Company has the right from time to time at its option to sell to Cantor up to \$250.0 million of its common shares (the “Common Shares”) subject to certain conditions and limitations set forth in the Purchase Agreement. While there are distinct differences, the Facility is structured similarly to a traditional at-the-market equity facility, insofar as it allows the Company to raise primary equity capital on a periodic basis outside the context of a traditional underwritten follow-on offering.

Sales of the Common Shares to Cantor under the Purchase Agreement, and the timing of any sales, will be determined by the Company from time to time in its sole discretion and will depend on a variety of factors, including, among other things, market conditions, the trading price of the Common Shares and determinations by the Company regarding the use of proceeds of such Common Shares. The net proceeds from any sales under the Purchase Agreement will depend on the frequency with, and prices at, which the Common Shares are sold to Cantor. The Company expects to use the proceeds from any sales under the Purchase Agreement for working capital and general corporate purposes.

Upon the initial satisfaction of the conditions to Cantor’s obligation to purchase Common Shares set forth in the Purchase Agreement (the “Commencement”), including that a registration statement registering the resale by Cantor of the Common Shares under the Securities Act of 1933, as amended (the “Securities Act”), that may be sold to it by the Company under the Purchase Agreement (the “Initial Resale Registration Statement”) is declared effective by the SEC and a final prospectus relating thereto is filed with the SEC, the Company will have the right, but not the obligation, from time to time at its sole discretion until the first day of the month next following the 36-month period from and after Commencement, to direct Cantor to purchase up to a specified maximum amount of Common Shares as set forth in the Purchase Agreement by delivering written notice to Cantor prior to the commencement of trading on any trading day. The purchase price of the Common Shares that the Company elects to sell to Cantor pursuant to the Purchase Agreement will be 99% of the volume weighted average price of the Common Shares during the applicable purchase date on which the Company has timely delivered written notice to Cantor directing it to purchase Common Shares under the Purchase Agreement.

In connection with the execution of the Purchase Agreement, the Company agreed to issue 145,986 Common Shares to Cantor as consideration for its irrevocable commitment to purchase the Common Shares upon the terms and subject to the satisfaction of the conditions set forth in the Purchase Agreement. In addition, pursuant to the Purchase Agreement the Company has agreed to certain other draw-down and usage fees under the Facility to be paid to Cantor in Common Shares based on usage of the Facility. The Purchase Agreement contains customary registration rights, representations, warranties, conditions and indemnification obligations by each party. The representations, warranties and covenants contained in the Purchase Agreements were made only for purposes of the Purchase Agreements and as of specific dates, were solely for the benefit of the parties to such agreements and are subject to certain important limitations.

The Company has the right to terminate the Purchase Agreement at any time after Commencement, at no cost or penalty, upon 10 trading days’ prior written notice. No termination of the Purchase Agreement will affect the registration rights provisions contained within the Purchase Agreement, which will survive any termination of the Purchase Agreement.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1, which is incorporated herein by reference.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any Shares, nor shall there be any sale of Shares in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Item 2.02. Results of Operations and Financial Condition.

On February 14, 2022, the Company issued a press release announcing its financial results for the fiscal quarter ended December 31, 2021. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

The information set forth under this “Item 2.02. Results of Operations and Financial Condition” (including the exhibit thereto) shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference in any filing made by the Company pursuant to the Securities Act of 1933, as amended, other than to the extent that such filing incorporates by reference any or all of such information by express reference thereto.

Item 3.02. Unregistered Sale of Equity Securities.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference into this Item 3.02 in its entirety.

The Common Shares that were issued and may be issued under the Purchase Agreement are being offered and sold in transactions exempt from registration under the Securities Act, in reliance on the exemption afforded under Section 4(a)(2) thereof.

NOW, THEREFORE, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I DEFINITIONS

The Company shall provide the Investor and its legal counsel a reasonable opportunity to comment on a draft of the Current Report prior to filing the Current Report with the Commission and shall give due consideration to all such comments. From and after the filing of the Current Report with the Commission, the Company shall publicly disclose all material, nonpublic information delivered to the Investor (or the Investor’s representatives or agents) by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees, agents or representatives (if any) in connection with the transactions contemplated by the Transaction Documents. At or before 5:30 p.m. (New York City time) on the second (2nd) Trading Day immediately following the Effective Date of the Initial Registration Statement and any New Registration Statement (or any post-effective amendment thereto), the Company shall use its reasonable best efforts to file with the Commission in accordance with Rule 424(b) under the Securities Act the final Prospectus to be used in connection with sales pursuant to such Registration Statement (or post-effective amendment thereto).

ARTICLE III PURCHASE TERMS

Subject to the satisfaction of the conditions set forth in Article VII, the parties agree as follows:

Section 3.1. VWAP Purchases. Upon the initial satisfaction of all of the conditions set forth in Section 7.1 (the “**Commencement**” and the date of initial satisfaction of all of such conditions, the “**Commencement Date**”) and from time to time thereafter, subject to the satisfaction of all of the conditions set forth in Section 7.2, the Company shall have the right, but not the obligation, to direct the Investor, by its timely delivery to the Investor of a VWAP Purchase Notice, in substantially the form attached hereto as Exhibit E, after 6:00 a.m., New York City time, but prior to 9:00 a.m., New York City time, on a VWAP Purchase Date, to purchase a number of Common Shares equal to the VWAP Purchase Share Request at the applicable VWAP Purchase Price therefor on such VWAP Purchase Date in accordance with this Agreement (each such purchase, a “**VWAP Purchase**”). In addition, the Investor may, in its sole discretion, accept a VWAP Purchase Notice after 9:00 a.m., New York City time, on a VWAP Purchase Date, provided that such acceptance, once provided, shall be irrevocable and binding and the Company’s obligation to deliver the shares that are the subject of such VWAP Purchase Notice shall be binding; *provided* that, if the Investor does not accept a VWAP Purchase Notice that is delivered after 9:00 a.m., New York City time, such VWAP Purchase Notice shall be deemed to be null and void. The Investor may also, in its sole discretion, accept additional VWAP Purchase Notices within a Trading Day, in which case any prior VWAP Purchase Notice accepted by the Investor in such Trading Day shall be null, void, superseded and replaced in its entirety by such subsequent VWAP Purchase Notice. The Company may timely deliver a VWAP Purchase Notice to the Investor as often as every Trading Day (and may deliver multiple VWAP Purchase Notices in any given day, it being understood that a subsequent VWAP Purchase Notice will supersede and replace all earlier VWAP Purchase Notices delivered within the same Trading Day in their entirety), so long as all Shares subject to all prior VWAP Purchases theretofore required to have been received by the Investor as DWAC Shares under this Agreement have been delivered to the Investor as DWAC Shares in accordance with this Agreement. The Investor is obligated to accept each VWAP Purchase Notice prepared and delivered by the Company in accordance with the terms of and subject to the satisfaction of the conditions contained in this Agreement. If the Company delivers any VWAP Purchase Notice directing the Investor to purchase a number of Shares that is in excess of the applicable VWAP Purchase Share Amount, such VWAP Purchase Notice shall be void *ab initio* to the extent of the amount by which the VWAP Purchase Share Estimate set forth in such VWAP Purchase Notice exceeds such applicable VWAP Purchase Share Amount, and the Investor shall have no obligation to purchase such excess Shares in respect of such VWAP Purchase Notice; *provided, however*, that the Investor shall remain obligated to purchase the applicable VWAP Purchase Share Amount in such VWAP Purchase. On the date of delivery of any VWAP Purchase Notice, the Company shall, prior to 9:00 a.m., New York City time (or as promptly as practicable thereafter in the case of a VWAP Purchase Notice delivered after 9:00 a.m., New York City time, that is accepted by the Investor), issue to the Investor a number of DWAC Shares equal to the VWAP Purchase Share Estimate (the date such Shares are delivered, the “**VWAP Purchase Share Delivery Date**”). In no event shall the Investor, pursuant to any VWAP Purchase, purchase a number of Shares constituting the applicable VWAP Purchase Share Amount that exceeds the VWAP Purchase Share Estimate issued on the VWAP Purchase Date in connection with such VWAP Purchase Notice; however, the Investor will immediately return to the Company any Shares issued pursuant to the VWAP Purchase Share Estimate that exceeds the number of Shares constituting the applicable VWAP Purchase Share

Certain confidential information contained in this document, marked by [***], has been omitted because Roivant Sciences Ltd. (the “Company”) has determined that the information (i) is not material and (ii) contains personal information.

Amount the Investor actually purchases in connection with such VWAP Purchase. In no event shall the Investor purchase a number of Shares that exceeds the specified VWAP Purchase Share Estimate included in a given VWAP Purchase Notice in connection with such VWAP Purchase. In addition, it is acknowledged and agreed that the Company may not deliver any additional VWAP Purchase Notice to the Investor until all Shares subject to a VWAP Purchase, and all Shares subject to all prior VWAP Purchase Notices, have been received by the Investor as DWAC Shares in accordance with this Agreement. At or prior to 5:30 p.m., New York City time, on the VWAP Purchase Date for each VWAP Purchase, the Investor shall provide to the Company a written confirmation for such VWAP Purchase (each, a “**VWAP Purchase Confirmation**”) setting forth the applicable VWAP Purchase Price per Share to be paid by the Investor in such VWAP Purchase, and the total aggregate VWAP Purchase Price to be paid by the Investor for the total VWAP Purchase Share Amount purchased by the Investor in such VWAP Purchase. Notwithstanding the foregoing, the Company shall not deliver any VWAP Purchase Notices to the Investor during the Post-Effective Amendment Period.

Section 3.2. Payment and Settlement. For each VWAP Purchase, the Investor shall pay to the Company an amount in cash equal to the product of (a) the applicable VWAP Purchase Share Amount and (b) the applicable VWAP Purchase Price for such Shares (the “**VWAP Purchase Amount**”), as full payment for such Shares purchased by the Investor in such VWAP Purchase, via wire transfer of immediately available funds, not later than 5:00 p.m., New York City time, on the Trading Day immediately following the applicable VWAP Purchase Share Delivery Date for such VWAP Purchase, provided the Investor shall have timely received, as DWAC Shares, all of such Shares purchased by the Investor in such VWAP Purchase on such VWAP Purchase Share Delivery Date in accordance with the first sentence of this Section 3.2, or, if any of such Shares are received by the Investor after 1:00 p.m., New York City time, then the Company’s receipt of such funds in its designated account may occur on the Trading Day next following the Trading Day on which the Investor shall have received all of such Shares as DWAC Shares, but not later than 5:00 p.m., New York City time, on such next Trading Day. If the Investor fails to pay the VWAP Purchase Amount when due, the Investor will return the DWAC Shares to the Company. If the Company or the Transfer Agent shall fail for any reason to deliver to the Investor, as DWAC Shares, any Shares purchased by the Investor in a VWAP Purchase prior to 4:30 p.m., New York City time, on the Trading Day immediately following the applicable VWAP Purchase Share Delivery Date for such VWAP Purchase, and if after such Trading Day the Investor purchases (in an open market transaction or otherwise) Common Shares to deliver in satisfaction of a sale by the Investor of such Shares that the Investor anticipated receiving from the Company on such VWAP Purchase Share Delivery Date in respect of such VWAP Purchase, then the Company shall, within one (1) Trading Day after the Investor’s request, either (i) pay cash to the Investor in an amount equal to the Investor’s total purchase price (including brokerage commissions, if any) for the Common Shares so purchased (the “**Cover Price**”), at which point the Company’s obligation to deliver such Shares as DWAC Shares shall terminate, or (ii) promptly honor its obligation to deliver to the Investor such Shares as DWAC Shares and pay cash to the Investor in an amount equal to the excess (if any) of the Cover Price over the VWAP Purchase Amount; *provided*, that Investor agrees to use its commercially reasonable efforts to purchase Common Shares in respect of the Cover Price only in normal brokerage transactions at the prevailing price per Common Share then available. The Company shall not issue any fraction of a share of Common Shares to the Investor in connection with any VWAP Purchase effected pursuant to this Agreement. If the issuance would result in the issuance of a fraction of a share of Common Shares, the Company shall round such fraction of a share of Common Shares up or down to the nearest whole share. All payments to be made by the Investor pursuant to this Agreement shall be made by wire transfer of immediately available funds to such account as the Company may from time to time designate by written notice to the Investor in accordance with the provisions of this Agreement.

Section 3.3. Compliance with Rules of Principal Market.

(a) **Exchange Cap.** The Company shall not issue or sell any Common Shares pursuant to this Agreement, and the Investor shall not purchase or acquire any Common Shares pursuant to this Agreement, to the extent that after giving effect thereto, the aggregate number of Common Shares that would be issued pursuant to this Agreement and the transactions contemplated hereby would exceed 138,345,230 Common Shares (representing 19.99% of the voting power or number of Common Shares, issued and outstanding immediately prior to the execution of this Agreement), which number of shares shall be reduced, on a share-for-share basis, by the number of Common Shares issued or issuable pursuant to any transaction or series of transactions that may be aggregated with the transactions

Certain confidential information contained in this document, marked by [***], has been omitted because Roivant Sciences Ltd. (the “Company”) has determined that the information (i) is not material and (ii) contains personal information.

contemplated by this Agreement under applicable rules of the Principal Market (such maximum number of shares, the “*Exchange Cap*”), unless the Company’s shareholders have approved the issuance of Common Shares pursuant to this Agreement in excess of the Exchange Cap in accordance with the applicable rules of the Principal Market. For the avoidance of doubt, the Company may, but shall be under no obligation to, request its shareholders to approve the issuance of Common Shares pursuant to this Agreement; provided, that if such shareholder approval is not obtained, the Exchange Cap shall be applicable for all purposes of this Agreement and the transactions contemplated hereby at all times during the term of this Agreement.

(b) **General.** The Company shall not issue or sell any Common Shares pursuant to this Agreement if such issuance or sale would reasonably be expected to result in (A) a violation of the Securities Act or (B) a breach of the rules of the Principal Market.

Section 3.4. Beneficial Ownership Limitation. Notwithstanding anything to the contrary contained in this Agreement, the Investor shall not be obligated to purchase or acquire, and shall not purchase or acquire, any Common Shares under this Agreement which, when aggregated with all other Common Shares then beneficially owned by the Investor and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor and its affiliates (on an aggregated basis) of more than 4.99% of the outstanding voting power or number of Common Shares (the “*Beneficial Ownership Limitation*”). Upon the written request of the Investor, the Company shall promptly (but not later than the next business day on which the Transfer Agent is open for business) confirm orally or in writing to the Investor the number of Common Shares then outstanding. The Investor and the Company shall each cooperate in good faith in the determinations required under this Section 3.4 and the application of this Section 3.4. The Investor’s written certification to the Company of the applicability of the Beneficial Ownership Limitation, and the resulting effect thereof hereunder at any time, shall be conclusive with respect to the applicability thereof and such result absent manifest error.

Section 3.5. Upfront Commitment Fee. In consideration for the Investor’s execution and delivery of this Agreement, the Company shall pay the Upfront Commitment Fee to the Investor as DWAC Shares no later than the end of the second Trading Day following the Upfront Determination Date, pursuant to and in accordance with Section 10.1(ii).

Section 3.6. Delayed Commitment Fee. Upon the Company’s aggregate sales to the Investor under this Agreement satisfying each of the dollar amount thresholds listed below, the Company (at its option) shall be obligated to pay to the Investor either (i) a \$1,000,000 cash fee or (ii) as DWAC Shares, a number of Common Shares equal to the quotient obtained by dividing \$1,000,000 by the closing price of the Common Shares on Nasdaq (or any successor Principal Market) on the Trading Day immediately prior to the date on which such condition becomes achieved (each such fee, a “*Delayed Commitment Fee*”). Each Delayed Commitment Fee shall be paid to the Investor prior to the end of the Trading Day following the achievement of the respective condition. For clarity, each Delayed Commitment Fee shall only be payable once, such that the maximum aggregate Delayed Commitment Fee payable to the Investor hereunder is \$5,000,000.

**ARTICLE IV
REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE INVESTOR**

The Investor hereby makes the following representations, warranties and covenants to the Company:

Section 4.1. Organization and Standing of the Investor. The Investor is a limited liability company duly formed, validly existing and in good standing under the laws of the State of Delaware.

Section 4.2. Authorization and Power. The Investor has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and to purchase or acquire the Shares in accordance with the terms hereof. The execution, delivery and performance by the Investor of this Agreement and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary action, and no further consent or authorization of the Investor or its sole member is required. Each of this Agreement has been duly executed and delivered by the Investor and constitutes a valid and binding obligation of the Investor enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership, or similar laws relating to, or affecting generally the enforcement of, creditor’s rights and remedies or by other equitable principles of general application (including any limitation of equitable remedies).

Section 4.3. No Conflicts. The execution, delivery and performance by the Investor of this Agreement and the consummation by the Investor of the transactions contemplated hereby and thereby do not and shall not (i) result in a violation of such Investor’s applicable organizational instruments, (ii) conflict with, constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give rise to any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Investor is a party or is bound, or (iii) result in a violation of any federal, state, local or foreign statute, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to the Investor or by which any of its properties or assets are bound or affected, except, in the case of clauses (ii) and (iii), for such conflicts, defaults, terminations, amendments, acceleration, cancellations and violations as would not, individually or in the aggregate, prohibit or otherwise interfere with, in any material respect, the ability of the Investor to enter into and perform its obligations under this Agreement. The Investor is not required under any applicable federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or to purchase or acquire the Shares in accordance with the terms hereof; provided, however, that for purposes of the representation made in this sentence, the Investor is assuming and relying upon the accuracy of the relevant representations and warranties and the compliance with the relevant covenants and agreements of the Company in the Transaction Documents to which it is a party.

Section 4.4. Investment Purpose. The Investor is acquiring the Shares for its own account, for investment purposes and not with a view towards, or for resale in connection with, the public sale or distribution thereof, in violation of the Securities Act or any applicable state securities laws; provided, however, that by making the representations herein, the Investor does not agree, or make any representation or warranty, to hold any of the Shares for any minimum or other specific term and reserves the right to dispose of the Shares at any time in accordance with, or pursuant to, a registration statement filed pursuant to this Agreement or an applicable exemption under the Securities Act. The Investor does not presently have any agreement or understanding, directly or indirectly, with any Person to sell or distribute any of the Shares. The Investor is acquiring the Shares hereunder in the ordinary course of its business.

Section 4.5. Accredited Investor Status. The Investor is an “accredited investor” as that term is defined in Rule 501(a) of Regulation D.

Certain confidential information contained in this document, marked by [***], has been omitted because Roivant Sciences Ltd. (the “Company”) has determined that the information (i) is not material and (ii) contains personal information.

Section 4.6. Reliance on Exemptions. The Investor understands that the Shares are being offered and sold to it in reliance on specific exemptions from the registration requirements of U.S. federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and the Investor’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Investor set forth herein in order to determine the availability of such exemptions and the eligibility of the Investor to acquire the Shares.

Section 4.7. Information. All materials relating to the business, financial condition, management and operations of the Company and its Affiliates, and materials relating to the offer and sale of the Shares which have been requested by the Investor have been furnished or otherwise made available available (including through filing with or furnishing to the Commission) to the Investor or its advisors, including, without limitation, the Commission Documents and other documents filed with or furnished to the Commission by Affiliates of the Company. The Investor understands that its investment in the Shares involves a high degree of risk. The Investor is able to bear the economic risk of an investment in the Shares and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of a proposed investment in the Shares. The Investor and its advisors have been afforded the opportunity to ask questions of and receive answers from representatives of the Company concerning the financial condition and business of the Company and its Affiliates, and other matters relating to an investment in the Shares. Neither such inquiries nor any other due diligence investigations conducted by the Investor or its advisors, if any, or its representatives shall modify, amend or affect the Investor’s right to rely on the Company’s representations and warranties contained in this Agreement or in any other Transaction Document to which the Company is a party or the Investor’s right to rely on any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transaction contemplated hereby. The Investor has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares. The Investor understands that it (and not the Company) shall be responsible for its own tax liabilities that may arise as a result of this investment or the transactions contemplated by this Agreement.

Section 4.8. No Governmental Review. The Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passed upon or endorsed the merits of the offering of the Shares.

Section 4.9. No General Solicitation. The Investor is not purchasing or acquiring the Shares as a result of any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares.

Section 4.10. Not an Affiliate. The Investor is not an officer, director or an Affiliate of the Company. Except for approvals of the Company’s Board of Directors or a committee thereof as may be required in connection with any issuance and sale of Shares to the Investor hereunder (which approvals shall be obtained prior to the delivery of any VWAP Purchase Notice), the execution, delivery and performance by the Company of each of the Transaction Documents to which it is a party and the consummation by it of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action, and no further consent or authorization of the Company, its Board of Directors or its shareholders is required. Each of the Transaction Documents to which the Company is a party has been duly executed and delivered by the Company and constitutes a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor’s rights and remedies or by other equitable principles of general application (including any limitation of equitable remedies).

(b) Except as described in the Commission Documents, and except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect: (i) to the extent required by applicable Privacy Laws, the Company has in place commercially reasonable policies and procedures relating to data privacy and security and the collection, storage, use, processing, disclosure, handling, and analysis of Personal Data and Confidential Data (the “**Policies**”); (ii) the Company has made disclosures to users or customers to the extent required by applicable Privacy Laws, and none of such disclosures made or contained in any Policy have been inaccurate or in violation of any applicable Privacy Laws; (iii) neither the Company nor any Subsidiary has received written notice of any actual or potential liability under or relating to, or actual or potential violation of, any applicable Privacy Laws, and there is no action, suit or proceeding by or before any court or governmental agency, authority or body pending or, to the Company’s knowledge, threatened alleging non-compliance with any applicable Privacy Laws.

Section 5.39. Acknowledgement Regarding Investor’s Acquisition of Shares; Affiliate Relationships. The Company acknowledges and agrees, to the fullest extent permitted by law, that the Investor is acting solely in the capacity of an arm’s-length purchaser with respect to this Agreement and the transactions contemplated by the Transaction Documents, and Cantor Fitzgerald & Co. (“**CF&CO**”) is acting as a representative of the Investor in connection with the transactions contemplated by the Transaction Documents, and of no other party, including the Company. The Company further acknowledges that while the Investor will be deemed to be a statutory “underwriter” with respect to the Transaction in accordance with interpretive positions of the Commission, the Investor is a “trader” that is not required to register with the SEC as a broker-dealer under Section 15(a) of the Securities Exchange Act of 1934. The Company further acknowledges that the Investor and its representatives are not acting as a financial advisor or fiduciary of the Company (or in any similar capacity, except as noted above) with respect to this Agreement and the transactions contemplated by the Transaction Documents, and any advice given by the Investor or any of its representatives (including CF&CO) or agents in connection therewith is merely incidental to the Investor’s acquisition of the Shares. The Company further represents to the Investor that the Company’s decision to enter into the Transaction Documents to which it is a party has been based solely on the independent evaluation of the transactions contemplated thereby by the Company and its representatives. The Company acknowledges and agrees that the Investor has not made and does not make any representations or warranties with respect to the transactions contemplated by the Transaction Documents other than those specifically set forth in Article IV. Affiliates of the Investor, including CF&CO, engage in a wide range of activities for their own accounts and the accounts of customers, including corporate finance, mergers and acquisitions, merchant banking, equity and fixed income sales, trading and research, derivatives, foreign exchange, futures, asset management, custody,

clearance and securities lending. In the course of its business, affiliates of Investor may, directly or indirectly, hold long or short positions, trade and otherwise conduct such activities in or with respect to debt or equity securities and/or bank debt of, and/or derivative products relating to, the Company. Any such position will be created, and maintained, independently of the position Investor takes in the Company, and Investor. In addition, at any given time affiliates of Investor, including CF&CO, may have been and/or be engaged by one or more entities that may be competitors with, or otherwise adverse to, the Company in matters unrelated to the transactions contemplated by the Transaction Documents, and affiliates of Investor, including CF&CO may have or may in the future provide investment banking or other services to the Company in matters unrelated to the transactions contemplated by the Transaction Documents. Activities of any of Investor’s affiliates performed on behalf of the Company may give rise to actual or apparent conflicts of interest given Investor’s potentially competing interests with those of the Company. The Company expressly acknowledges the benefits it receives from Investor’s participation in the transactions contemplated by the Transaction Documents, on the one hand, and Investor’s affiliates’ activities, if any, on behalf of the Company unrelated to the transactions contemplated by the Transaction Documents, on the other hand, and understands the conflict or potential conflict of interest that may arise in this regard, and has consulted with such independent advisors as it deems appropriate in order to understand and assess the risks associated with these potential conflicts of interest. Consistent with applicable legal and regulatory requirements, applicable affiliates of the Investor have adopted policies and procedures to establish and maintain the independence of their research departments and personnel from their investment banking groups and Investor. As a result, research analysts employed by affiliates of the Investor may hold views, make statements or investment recommendations and/or publish research reports with respect to the Company or the transactions contemplated by the Transaction Documents that differ from the views of Investor.

Section 5.40. Regulatory Filings. Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect and except as disclosed in the Commission Documents, neither the Company nor any of its Subsidiaries has failed to file with the applicable Governmental Authorities (including, without limitation, the FDA, or any foreign, federal, state, provincial or local Governmental Authority performing functions similar to those performed by the FDA) any required filing, declaration, listing, registration, report or submission, except for such failures that, as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect; except as disclosed in the Commission Documents, all such filings, declarations, listings, registrations, reports or submissions were in compliance with applicable laws when filed and no deficiencies have been asserted by any applicable regulatory authority with respect to any such filings, declarations, listings, registrations, reports or submissions that have not yet been remedied, except for any deficiencies that, as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect. The Company has operated and currently is, in all material respects, in compliance with the United States Federal Food, Drug, and Cosmetic Act, all applicable rules and regulations of the FDA and other federal, state, local and foreign Governmental Authority exercising comparable authority. The Company has no knowledge of any studies, tests or trials not described in the Commission Documents the results of which reasonably call into question in any material respect the results of the studies, tests and trials described in the Commission Documents.

Section 5.41. Clinical Studies. The preclinical studies and tests and clinical trials described in the Commission Documents were, and, if still pending, are, being conducted in all material respects in accordance with the experimental protocols, procedures and controls pursuant to, where applicable, accepted professional and scientific standards for products or product candidates comparable to those being developed by the Company; the descriptions of such studies, tests and trials, and the results thereof, contained in the Commission Documents are accurate and complete in all material respects; the Company is not aware of any tests, studies or trials not described in the Commission Documents, the results of which reasonably call into question the results of the tests, studies and trials described in the Commission Documents; and, except as described in the Commission Documents, the Company has not received any written notice or correspondence from the FDA or any foreign, state or local Governmental Authority exercising comparable authority or any institutional review board or comparable authority requiring the termination, suspension, clinical hold or material modification of any tests, studies or trials described in the Commission Documents.

Section 5.42. Emerging Growth Company Status. From the time of the initial filing of the Company’s first registration statement with the Commission through the date hereof, the Company has been and is an “emerging growth company,” as defined in Section 2(a) of the Securities Act (an “*Emerging Growth Company*”).

ARTICLE VI ADDITIONAL COVENANTS

The Company covenants with the Investor, and the Investor covenants with the Company, as follows, which covenants of one party are for the benefit of the other party, during the Investment Period (and with respect to the Company, for the period following the termination of this Agreement specified in Section 8.3 pursuant to and in accordance with Section 8.3):

Section 6.1. Securities Compliance. The Company shall notify the Commission and the Principal Market, if and as applicable, in accordance with their respective rules and regulations, of the transactions contemplated by the Transaction Documents, and shall take all necessary action, undertake all proceedings and obtain all registrations, permits, consents and approvals for the legal and valid issuance of the Shares to the Investor in accordance with the terms of the Transaction Documents, as applicable.

Section 6.2. Reservation of Common Shares. The Company has available and the Company shall reserve and keep available at all times, free of preemptive and other similar rights of shareholders, the requisite aggregate number of authorized but unissued Common Shares to enable the Company to timely effect the issuance, sale and delivery of all Shares to be issued, sold and delivered in respect of each VWAP Purchase effected under this Agreement, at least prior to the delivery by the Company to the Investor of the applicable VWAP Purchase Notice in connection with such VWAP Purchase. Without limiting the generality of the foregoing, as of the Commencement Date the Company shall have reserved, out of its authorized and unissued Common Shares, a number of Common Shares equal to the Share Cap solely for the purpose of effecting VWAP Purchases under this Agreement. The number of Common Shares so reserved for the purpose of effecting VWAP Purchases under this Agreement may be increased from time to time by the Company from and after the Commencement Date, and such number of reserved shares may be reduced from and after the Commencement Date only by the number of Shares actually issued, sold and delivered to the Investor pursuant to any VWAP Purchase effected from and after the Commencement Date pursuant to this Agreement.

Section 6.3. Registration and Listing.

(i) The Company shall prepare and, as soon as practicable, and in any case no more than five Trading Days, after the date of this Agreement, file with the Commission an initial Registration Statement on Form S-1 (or any successor form) so as to permit the resale of the Registrable Securities held by the Investor under Rule 415 under the Securities Act at then prevailing market prices (and not fixed prices) (the “*Initial Registration Statement*”). The Company shall use its commercially reasonable efforts to have the Initial Registration Statement declared effective by the Commission as soon as reasonably practicable following the filing thereof with the Commission.

(ii) The Investor shall have the right to select one legal counsel to review and oversee, solely on its behalf, any registration pursuant to this Section 6.3 (“*Legal Counsel*”), which shall be Covington & Burling LLP, or such other counsel as thereafter designated by the Investor. The Company shall have no obligation to reimburse the Investor for any and all legal fees and expenses of the Legal Counsel incurred in connection with the transactions contemplated by this Section 6.3.

(iii) If at any time all Registrable Securities are not covered by the Initial Registration Statement filed pursuant to this Section 6.3 or otherwise, the Company shall use its commercially reasonable efforts to file with the Commission one or more additional Registration Statements so as to cover all of the Registrable Securities not covered by such initial Registration Statement, in each case, as soon as practicable (taking into account any position of the staff of the Commission (“*Staff*”) with respect to the date on which the Staff will permit such additional Registration Statement(s) to be filed with the Commission and the rules and regulations of the Commission) (each such additional Registration Statement, a “*New Registration Statement*”). The Company shall use its commercially reasonable efforts to cause each such New Registration Statement to become effective as soon as reasonably practicable following the filing thereof with the Commission.

Certain confidential information contained in this document, marked by [***], has been omitted because Roivant Sciences Ltd. (the “Company”) has determined that the information (i) is not material and (ii) contains personal information.

(iv) In no event shall the Company include any securities other than Registrable Securities on any Registration Statement pursuant to this Section 6.3 without consulting the Investor and Legal Counsel prior to filing such Registration Statement with the Commission.

(v) If the Staff or the Commission seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices), or if after the filing of any Registration Statement pursuant to this Section 6.3, the Company is otherwise required by the Staff or the Commission to reduce the number of Registrable Securities included in such Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such Registration Statement (after consultation with the Investor and Legal Counsel as to the specific Registrable Securities to be removed therefrom) until such time as the Staff and the Commission shall so permit such Registration Statement to become effective and be used as aforesaid. Notwithstanding anything in this Agreement to the contrary, if after giving effect to the actions referred to in the immediately preceding sentence, the Staff or the Commission does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices), the Company shall not request acceleration of the Effective Date of such Registration Statement, the Company shall promptly (but in no event later than 48 hours) request the withdrawal of such Registration Statement pursuant to Rule 477 under the Securities Act. In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall use its commercially reasonable efforts to file one or more New Registration Statements with the Commission in accordance with this Section 6.3 until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the Prospectuses contained therein are available for use by the Investor.

(vi) The Company shall use its commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the terms of this Agreement and the intended method of disposition thereof, and, pursuant thereto, during the term of this Agreement, the Company shall have the following obligations:

(a) Subject to Allowable Grace Periods (as defined below), the Company shall keep each Registration Statement effective (and the Prospectus contained therein available for use) pursuant to Rule 415 for resales by the Investor on a continuous basis at then-prevailing market prices (and not fixed prices) at all times until the earlier of (i) the date on which the Investor shall have sold all of the Registrable Securities covered by such Registration Statement and (ii) the date of termination of the Purchase Agreement if as of such termination date the Investor holds no Registrable Securities (or, if applicable, the date on which such securities cease to be Registrable Securities after the date of termination of the Purchase Agreement) (the “**Registration Period**”). Notwithstanding anything to the contrary contained in this Agreement, the Company shall ensure that, when filed and at all times while effective, each Registration Statement (including, without limitation, all amendments and supplements thereto) and the Prospectus (including, without limitation, all amendments and supplements thereto) used in connection with such Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of Prospectuses, in the light of the circumstances in which they were made) not misleading. The Company shall submit to the Commission, as soon as reasonably practicable after the date that the Company learns that no review of a particular Registration Statement will be made by the Staff or that the Staff has no further comments on a particular Registration Statement (as the case may be), a request for acceleration of effectiveness of such Registration Statement to a time and date as soon as reasonably practicable, and in any case no later than two Trading Days, after the Company learns of such fact in accordance with Rule 461 under the Securities Act.

(b) The Company shall use its commercially reasonable efforts to prepare and file with the Commission such amendments (including, without limitation, post-effective amendments) and supplements to each Registration Statement and the Prospectus used in connection with each such Registration Statement, which Prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep each such Registration Statement effective (and the Prospectus contained therein current and available for use) at all times during the Registration Period for such Registration Statement, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company required to be covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the Investor. Without limiting the generality of the foregoing, the Company covenants and agrees that (i) at or before 5:30 p.m. (New York City time) on the second (2nd) Trading Day immediately following the Effective Date of the Initial Registration Statement and any New Registration Statement (or any post-effective amendment thereto), the Company shall file with the Commission in accordance with Rule 424(b) under the Securities Act the final Prospectus to be used in connection with sales pursuant to such Registration Statement (or post-effective amendment thereto), and (ii) if the transactions contemplated by any VWAP Purchase are material to the Company (individually or collectively with all other prior VWAP Purchases, the consummation of which have not previously been reported in any Prospectus Supplement filed with the Commission under Rule 424(b) under the Securities Act or in any report, statement or other document filed by the Company with the Commission under the Exchange Act), or if otherwise required under the Securities Act (or the interpretations of the Commission thereof), in each case as reasonably determined by the Company and the Investor, then, at or before 8:30 a.m., New York City time, on the first (1st) Trading Day immediately following the VWAP Purchase Date, if a VWAP Purchase Notice was properly delivered to the Investor hereunder in connection with such VWAP Purchase, the Company shall file with the Commission a Prospectus Supplement pursuant to Rule 424(b) under the Securities Act with respect to the VWAP Purchase(s), the total VWAP Purchase Price for the Shares subject to such VWAP Purchase(s) (as applicable), the applicable VWAP Purchase Price(s) for such Shares and the net proceeds that are to be (and, if applicable, have been) received by the Company from the sale of such Shares. The Company consents to the use of the Prospectus (including, without limitation, any supplement thereto) included in each Registration Statement in accordance with the provisions of the Securities Act and with the securities or “Blue Sky” laws of the jurisdictions in which the Registrable Securities may be sold by the Investor, in connection with the resale of the Registrable Securities and for such period of time thereafter as such Prospectus (including, without limitation, any supplement thereto) (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required by the Securities Act to be delivered in connection with resales of Registrable Securities.

The Company shall respond as promptly as reasonably practicable to any comments received from the Commission with respect to a Registration Statement or any amendment thereto.

(f) The Company shall (i) use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of a Registration Statement or the use of any Prospectus contained therein, or the suspension of the qualification, or the loss of an exemption from qualification, of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible time and (ii) notify Legal Counsel and the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding.

(i) During the Investment Period, the Company shall comply with applicable provisions of the Securities Act and the Exchange Act, including Regulation M thereunder, applicable state securities or “Blue Sky” laws, and applicable listing rules of the Principal Market or Principal Market, in connection with the transactions contemplated by this Agreement, except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(ii) The Investor shall comply with all laws, rules, regulations and orders applicable to the performance by it of its obligations under this Agreement and its investment in the Shares, except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect. (i) The Investor and the Company shall each maintain records showing the remaining Total Commitment, the remaining Aggregate Limit and the dates and VWAP Purchase Share Amount for each VWAP Purchase.

(ii) Subject to the requirements of Section 6.12, from time to time from and after the Closing Date, the Company shall make available for inspection and review by the Investor during normal business hours and after reasonable notice, customary documentation reasonably requested by the Investor and/or its appointed counsel or advisors to conduct due diligence; provided, however, that after the Closing Date, the Investor’s continued due diligence shall not be a condition precedent to the Company’s right to deliver to the Investor any VWAP Purchase Notice or the settlement thereof except to the extent expressly contemplated by this Agreement.

Section 6.6. No Frustration; No Variable Rate Transactions.

(i) **No Frustration.** The Company shall not enter into, announce or recommend to its shareholders any agreement, plan, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability or right of the Company to perform its obligations under the Transaction Documents to which it is a party, including, without limitation, the obligation of the Company to deliver the Shares to the Investor in respect of a VWAP Purchase not later than the VWAP Purchase Share Delivery Date. For purposes of this Section 6.14, any disclosure made in a schedule to the Compliance Certificate shall be deemed to be an update of the Disclosure Schedule. (ii) Notwithstanding anything to the contrary contained in the Disclosure Schedule or in this Agreement, the information and disclosure contained in any Schedule of the Disclosure Schedule shall be deemed to be disclosed and incorporated by reference in any other Schedule of the Disclosure Schedule as though fully set forth in such Schedule for which applicability of such information and disclosure is readily apparent on its face. The fact that any item of information is disclosed in the Disclosure Schedule shall not be construed to mean that such information is required to be disclosed by this Agreement. Except as expressly set forth in this Agreement, such information and the thresholds (whether based on quantity, qualitative characterization, dollar amounts or otherwise) set forth herein shall not be used as a basis for interpreting the terms “material” or “Material Adverse Effect” or other similar terms in this Agreement.

(a) Promptly after an Investor Party receives notice of a claim or the commencement of an action for which the Investor Party intends to seek indemnification under Section 9.1, the Investor Party will notify the Company in writing of the claim or commencement of the action, suit or proceeding; provided, however, that failure to notify the Company will not relieve the Company from liability under Section 9.1, unless and solely to the extent it has been materially prejudiced by the failure to give such notice as evidenced by the forfeiture of by the Company of substantive rights or defenses. The Company will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the Company acknowledges in writing the obligation to indemnify the Investor Party against whom the claim or action is brought, the Company may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. After the Company notifies the Investor Party that the Company wishes to assume the defense of a claim, action, suit or proceeding, the Company will not be liable for any further legal or other expenses incurred by the Investor Party in connection with the defense against the claim, action, suit or proceeding unless (1) the employment of counsel by the Investor Party has been authorized in writing by the Company, (2) the Investor Party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or another Investor Party that are different from or in addition to those available to the Company, (3) a conflict or potential conflict exists (based on advice of counsel to the Investor Party) between an Investor Party and the Company (in which case the Company will not have the right to direct the defense of such action on behalf of the indemnified party) or (4) the Company has not in fact employed counsel to assume the defense of such action or counsel reasonably satisfactory to the indemnified party, in each case, within a reasonable time after receiving notice of the commencement of the action; in each of which cases the reasonable fees, disbursements and other charges of counsel will be at the expense of the Company. It is understood that the Company shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements and other charges of more than one separate firm (plus local counsel) admitted to practice in such jurisdiction at any one time for all such similarly situated Investor Parties. The Company will not be liable for any settlement of any action effected without its prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned. The Company shall not, without

the prior written consent of each indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding relating to the matters contemplated by this section (whether or not any indemnified party is a party thereto), unless such settlement, compromise or consent (1) includes an express and unconditional release of each indemnified party, in form and substance reasonably satisfactory to such indemnified party, from all liability arising out of such litigation, investigation, proceeding or claim and (2) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(b) In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in the foregoing paragraphs of this Article IX for any reason is held to be unavailable or insufficient to hold an Investor Party harmless, the Company and the Investor Party will contribute to the total losses, claims, liabilities, expenses and damages (including any investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted) to which the Company and the Investor Party may be subject in such proportion as shall be appropriate to reflect the relative benefits received by the Company on the one hand and the Investor on the other hand. The relative benefits received by the Company on the one hand and the Investor Party on the other hand shall be deemed to be in the same proportion as the total net proceeds from the aggregate of all VWAP Purchase Amounts (before deducting expenses) received by the Company bear to the total compensation received by the Investor from the Company pursuant to this Agreement. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing sentence but also the relative fault of the Company, on the one hand, and the Investor Party, on the other hand, with respect to the statements or omission that resulted in such loss, claim, liability, expense or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Investor Party, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Investor Party agree that it would not be just and equitable if contributions pursuant to this Section 9.3(b) were to be determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, liability, expense, or damage, or action in respect thereof, referred to above in this Section 9.3(b) shall be deemed to include, for the purpose of this Section 9.3(b), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim to the extent consistent with Section 9.3(a) hereof. Notwithstanding the foregoing provisions of this Section 9.3(b), the Investor shall not be required to contribute any amount in excess of the commissions received by it under this Agreement and no person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9.3(b), any person who controls a party to this Agreement within the meaning of the Securities Act, any affiliates of the Investor Party and any officers, directors, partners, employees or agents of the Investor Party or any of its affiliates, will have the same rights to contribution as that party, and each director of the Company and each officer of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made under this Section 9.3(b), will notify any such party or parties from whom contribution may be sought, but the omission to so notify will not relieve that party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 9.3(b) except to the extent that the failure to so notify such other party materially prejudiced the substantive rights or defenses of the party from whom contribution is sought. No party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 9.3(a) hereof.

The remedies provided for in this Article IX are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Investor Party at law or in equity.

For the avoidance of doubt, all Shares to be issued in respect of any VWAP Purchase Notice delivered to the Investor pursuant to this Agreement shall be issued to the Investor in accordance with Section 3.2 by crediting the Investor’s account at DTC as DWAC Shares, and the Company shall not take any action or give instructions to any transfer agent of the Company otherwise. The Company represents and warrants to the Investor that, while this Agreement is effective, no instruction other than those referred to in this Section 10.1(iii) will be given by the Company to its Transfer Agent, or any successor transfer agent of the Company, with respect to the Shares from and after Commencement, and the Registrable Securities covered by the Initial Registration Statement or any post-effective amendment thereof, or any New Registration Statement or post-effective amendment thereof, as applicable, shall otherwise be freely transferable on the books and records of the Company and no stop transfer instructions shall be maintained against the transfer thereof. (i) The Company and the Investor acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement by the other party and to enforce specifically the terms and provisions hereof (without the necessity of showing economic loss and without any bond or other security being required), this being in addition to any other remedy to which either party may be entitled by law or equity.

(ii) Each of the Company and the Investor (a) hereby irrevocably submits to the jurisdiction of the U.S. District Court and other courts of the United States sitting in the State of New York for the purposes of any suit, action or proceeding arising out of or relating to this Agreement, and (b) hereby waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Section 10.5. Waivers. No provision of this Agreement may be waived by the parties from and after the date that is one (1) Trading Day immediately preceding the filing of the Initial Registration Statement with the Commission. Subject to the immediately preceding sentence, no provision of this Agreement may be waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. No failure or delay in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercises thereof or of any other right, power or privilege.

Certain confidential information contained in this document, marked by [***], has been omitted because Roivant Sciences Ltd. (the “Company”) has determined that the information (i) is not material and (ii) contains personal information.

Section 10.6. Amendments. No provision of this Agreement may be amended by the parties from and after the date that is one (1) Trading Day immediately preceding the filing of the Initial Registration Statement with the Commission. Subject to the immediately preceding sentence, no provision of this Agreement may be amended other than by a written instrument signed by both parties hereto.

Section 10.7. Headings. The article, section and subsection headings in this Agreement are for convenience only and shall not constitute a part of this Agreement for any other purpose and shall not be deemed to limit or affect any of the provisions hereof. Unless the context clearly indicates otherwise, each pronoun herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms “including,” “includes,” “include” and words of like import shall be construed broadly as if followed by the words “without limitation.” The terms “herein,” “hereunder,” “hereof” and words of like import refer to this entire Agreement instead of just the provision in which they are found.

Section 10.8. Construction. The parties agree that each of them and their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents. In addition, each and every reference to share prices (including the Threshold Price) and number of Common Shares in any Transaction Document shall, in all cases, be subject to adjustment for any stock splits, stock combinations, stock dividends, recapitalizations, reorganizations and other similar transactions that occur on or after the date of this Agreement. Any reference in this Agreement to “Dollars” or “\$” shall mean the lawful currency of the United States of America. Any references to “Section” or “Article” in this Agreement shall, unless otherwise expressly stated herein, refer to the applicable Section or Article of this Agreement.

Section 10.9. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors. Neither the Company nor the Investor may assign this Agreement or any of their respective rights or obligations hereunder to any Person.

Section 10.10. No Third Party Beneficiaries. Except as expressly provided in Article IX, this Agreement is intended only for the benefit of the parties hereto and their respective successors, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

Section 10.11. Governing Law. This Agreement shall be governed by and construed in accordance with the internal procedural and substantive laws of the State of New York, without giving effect to the choice of law provisions of such state that would cause the application of the laws of any other jurisdiction.

Section 10.12. Survival. The representations, warranties, covenants and agreements of the Company and the Investor contained in this Agreement shall survive the execution and delivery hereof until the termination of this Agreement; provided, however, that (i) the provisions of Section 6.3, Article VIII (Termination), Article IX (Indemnification) and this Article X (Miscellaneous) shall remain in full force and effect indefinitely notwithstanding such termination, and, (ii) so long as the Investor owns any Shares, the covenants and agreements of the Company and the Investor contained in Article VI (Additional Covenants), shall remain in full force and effect notwithstanding such termination for a period of thirty (30) days following such termination.

Section 10.13. Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature or signature delivered by e-mail in a “.pdf” format data file, including any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docuSign.com, www.echosign.adobe.com, etc., shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

Certain confidential information contained in this document, marked by [***], has been omitted because Roivant Sciences Ltd. (the “Company”) has determined that the information (i) is not material and (ii) contains personal information.

Section 10.14. Publicity. The Company shall afford the Investor and its counsel with a reasonable opportunity to review and comment upon, shall consult with the Investor and its counsel on the form and substance of, and shall give due consideration to all such comments from the Investor or its counsel on, any press release, Commission filing or any other public disclosure made by or on behalf of the Company relating to the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated thereby, prior to the issuance, filing or public disclosure thereof. For the avoidance of doubt, the Company shall not be required to submit for review any such disclosure (i) contained in periodic reports filed with the Commission under the Exchange Act if it shall have previously provided the same disclosure to the Investor or its counsel for review in connection with a previous filing or (ii) any Prospectus Supplement if it contains disclosure that does not reference the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated thereby.

Section 10.15. Severability. The provisions of this Agreement are severable and, in the event that any court of competent jurisdiction shall determine that any one or more of the provisions or part of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Agreement, and this Agreement shall be reformed and construed as if such invalid or illegal or unenforceable provision, or part of such provision, had never been contained herein, so that such provisions would be valid, legal and enforceable to the maximum extent possible.

Section 10.16. Further Assurances. From and after the Closing Date, upon the request of the Investor or the Company, each of the Company and the Investor shall execute and deliver such instrument, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement.

Section 10.17. Consent to Jurisdiction. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection with any of the transactions contemplated hereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum, or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy (certified or registered mail, return receipt requested) to such party at the address in effect for notices under Section 10.4 of this Agreement and agrees that such service shall constitute good and sufficient notice of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. All service of process or other legal summons for purposes of any such suit, action or proceeding that may be instituted in any state or federal court in the Borough of Manhattan in the City of New York, United States of America shall be delivered to the Company at: Roivant Sciences, Inc., 151 West 42nd Street, 15th Floor, New York, NY 10036, Attention: General Counsel, Email: [***]. To the extent that the Company has or hereafter may acquire any immunity (sovereign or otherwise) from jurisdiction of any court of (i) Bermuda, (ii) the United States or the State of New York, (iii) any jurisdiction in which it owns or leases property or assets or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution, set-off or otherwise) with respect to itself or its respective property and assets or this Agreement, the Company hereby irrevocably waives such immunity in respect of its obligations under this Agreement to the fullest extent permitted by applicable law.

Section 10.18. Currency Provisions. The obligations of the Company pursuant to this Agreement in respect of any sum due to the Investor shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first Trading Day, following receipt by the Investor of any sum adjudged to be so due in such other currency, on which the Investor may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to the Investor in United States dollars hereunder, the Company agrees as a separate obligation and notwithstanding any such judgment, to indemnify the Investor against such loss. If the United States dollars so purchased are greater than the sum originally due to the Investor hereunder, the Investor agrees to pay to the Company an amount equal to the

excess of the dollars so purchased over the sum originally due to the Investor hereunder. All payments made by the Company under this Agreement shall be made free and clear of any withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature (including any amounts that result from the payment of fees, compensation or reimbursement of costs contemplated by this Agreement) imposed or levied by or on behalf of Bermuda or by any department, agency or other political subdivision or any taxing authority thereof or therein, and all interest, penalties or similar liabilities with respect thereto (collectively, “*Bermuda Taxes*”), unless such deduction or withholding is required by law. If any Bermuda Taxes are required by law to be deducted or withheld by the Company in connection with such payment, the Company will increase the amount to be paid to the Investor so that the full amount of such payment is received by the Investor, provided that the Company will not be required to pay any such additional amounts to the extent that the obligation to withhold or deduct any amounts arises as a result of any present or former connection between the Investor and the relevant jurisdiction other than any such connection arising solely as a result of the transaction described in this Agreement.

BASEL, Switzerland, LONDON, NEW YORK and BOSTON, February 14, 2022 – Roivant Sciences Ltd. (Nasdaq: ROIV), a next-generation biopharmaceutical company dedicated to improving the delivery of healthcare to patients, today reported its financial results for the third fiscal quarter ended December 31, 2021 and provided an update on the Company's operations.

Roivant's Chief Executive Officer, Matt Gline, noted: "We are looking forward to the upcoming launch of tapinarof this year and to the impact we believe it can have for psoriasis patients. We are also pleased with the continued enrollment in Dermavant's registrational studies in atopic dermatitis. We remain on track this year to initiate multiple Phase 2 and Phase 3 clinical trials, including at Immunovant and Kinevant, and to expand the ongoing Phase 1/2 trial in MDS patients at newly launched Hemavant. RVT-2001, the lead product candidate at Hemavant, is a great example of our plans for pipeline expansion, which will come from both in-licensing and from our internal computational discovery efforts."

Recent Developments

- **Hemavant:** Roivant has launched a new Vant, Hemavant, which entered into a licensing agreement with Eisai Co., Ltd. for exclusive global rights to the investigational agent RVT-2001, a potential first-in-class small molecule SF3B1 modulator. RVT-2001 has achieved a red blood cell transfusion independence rate of over 30% in 19 patients with lower-risk, transfusion-dependent MDS, 15 of whom had documented prior treatment with lenalidomide and/or hypomethylating agents. Hemavant plans to develop RVT-2001 as an oral therapy for transfusion-dependent anemia in patients with lower-risk MDS, with a robust open-label expansion of the ongoing Phase 1/2 clinical trial for RVT-2001 in the first half of calendar year 2022.
- **Genevant:** The Federal Circuit Court of Appeals rejected Moderna's appeal of the prior Patent Trial and Appeal Board decision holding all claims of U.S. Patent 8,058,069 patentable. The court also dismissed Moderna's appeal challenging a similar finding of patentability of certain claims of U.S. Patent 9,364,435 for lack of standing. Together, the decisions confirm the strength of Genevant's nucleic acid delivery-related patent portfolio.

- **Dermavant:** Dermavant's NDA submission for tapinarof remains on track, with no expectation of an FDA advisory committee and an assigned PDUFA date in Q2 2022. Dermavant continues to build out its organization, with key commercial leadership in place, and manufacturing remains on track for launch upon FDA approval. In December 2021, results from the PSOARING 1 and PSOARING 2 pivotal trials of tapinarof in plaque psoriasis were published in The New England Journal of Medicine. In January 2022, Dermavant presented patient satisfaction data demonstrating consistently high rates of satisfaction and positive perception of treatment with tapinarof, with 81.1% preferring tapinarof to topical drugs used in the past and 67.8% preferring tapinarof to systemic drugs used in the past.
- **Aruvant:** Punam Malik, M.D., Director of the Cincinnati Comprehensive Sickle Cell Center and Program Leader of the Hematology and Gene Therapy Program at the Cincinnati Children's Hospital Medical Center, presented data highlighting the clinically meaningful reduction in vaso-occlusive events for participants in the ongoing ARU-1801 Phase 1/2 trial and the unique attributes that contribute to the potency of ARU-1801 at the American Society of Hematology (ASH) Annual Meeting on December 13, 2021.
- **Immunovant:** In December 2021, Immunovant announced it had achieved alignment with the FDA Division of Neurology 1 to move forward in myasthenia gravis. The Phase 3 trial will include an induction (primary efficacy) period during which Immunovant plans to study doses of 680mg and 340mg of batoclimab delivered weekly by subcutaneous injection, followed by alternative dosing regimens (including potential lower maintenance and higher rescue doses) in subsequent study periods. The trial is designed to address unmet patient needs by leveraging batoclimab's broad therapeutic window and simple subcutaneous delivery device to provide a differentiated treatment option.
- **Kinevant:** In December 2021, the FDA cleared the IND submitted by Kinevant for a Phase 2 trial evaluating namilumab for the treatment of sarcoidosis.
- **Lysovant:** In January 2022, the FDA cleared the IND submitted by Lysovant for a multiple ascending dose study of LSVT-1701 in patients with complicated *Staph aureus* bacteremia including infective endocarditis.

Major Upcoming Milestones

- **Dermavant:** Dermavant expects a decision from the FDA on the approval of tapinarof for the treatment of adults with plaque psoriasis in the second quarter of calendar year 2022. Dermavant also expects to report topline data from the Phase 3 clinical trial of tapinarof for the treatment of atopic dermatitis in the first half of calendar year 2023.
- **Immunovant:** Immunovant plans to initiate a pivotal trial evaluating batoclimab for the treatment of myasthenia gravis in 1H 2022, with topline results expected in 2024. Immunovant also plans to re-initiate its programs in thyroid eye disease and warm autoimmune hemolytic anemia in 2022, and to announce at least two new indications by August 2022. Immunovant expects to initiate pivotal trials for two of these four indications in 2022, with a total of three pivotal trials initiating in 2022.

- **Aruvant:** Aruvant expects to announce ongoing new patient and follow up data through 2022 and to initiate its Phase 3 trial for ARU-1801 for the treatment of sickle cell disease in 2023.
- **Kinevant:** Kinevant remains on track to initiate its Phase 2 trial evaluating namilumab for the treatment of sarcoidosis in the first half of calendar year 2022.
- **Hemavant:** Hemavant plans to amend its ongoing open-label Phase 1/2 trial evaluating RVT-2001 for the treatment of transfusion-dependent anemia in lower-risk MDS patients in the first half of calendar year 2022, with initial data expected in 2023.
- **Lysovant:** Lysovant remains on track to initiate its multiple ascending dose study of LSVT-1701 in patients with complicated *Staph aureus* bacteremia including infective endocarditis in the first half of calendar year 2022.

Fiscal Quarter Ended December 31, 2021 Financial Summary

Cash Position

As of December 31, 2021, we had cash and cash equivalents of approximately \$2.2 billion.

On February 14, 2022, Roivant entered into a committed equity facility with an affiliate of Cantor Fitzgerald & Co. (“Cantor”). Under the terms of the facility, Cantor has committed to purchase up to an aggregate of \$250.0 million in the Company’s common shares from time to time at the request of the Company. This at-the-market-style facility will provide Roivant with the ability to raise additional capital opportunistically in the future.

Research and Development Expenses

Research and development (R&D) expenses were \$153.5 million for the three months ended December 31, 2021 compared to \$202.3 million for the three months ended December 31, 2020. The decrease was primarily due to reduced consideration for the purchase of in-process research and development through asset acquisitions and license agreements as compared to the comparable prior year period, partially offset by increases in program-specific costs relating to our product candidates, personnel-related expenses, and share-based compensation expense. Non-GAAP R&D expenses were \$118.9 million for the three months ended December 31, 2021 compared to \$50.8 million for the three months ended December 31, 2020.

General and Administrative Expenses

General and administrative (G&A) expenses were \$115.5 million for the three months ended December 31, 2021 compared to \$61.9 million for the three months ended December 31, 2020. The increase was largely due to higher share-based compensation expense as compared to the comparable prior year period, primarily as a result of the ongoing vesting of certain equity instruments for which the liquidity event vesting condition was met upon the closing of the business combination with MAAC in September 2021. We did not recognize share-based compensation expense related to these equity instruments during the three months ended December 31, 2020 as the liquidity event requirement had not been met and was not deemed probable of being met. Non-GAAP G&A expenses were \$61.4 million for the three months ended December 31, 2021 compared to \$47.7 million for the three months ended December 31, 2020.

Net Loss

Roivant believes that its presentation of non-GAAP financial measures provides useful supplementary information to and facilitates additional analysis by investors.
